

of this section, shall be the territory comprised within the following metes and bounds: Beginning for the same at the intersection of the south side of Camden street and the west side of Howard street, and running thence northerly, bounding on the west side of Howard street to a point where the prolongation southwardly of the westerly side of Liberty street would intersect the west side of Howard street, and thence along the said line and continuing northerly along the westerly line of Liberty street to the intersection of the west side of Liberty street with the north side of Lexington street, and thence along the northerly line of Lexington street, easterly to a point formed by the intersection of the north side of Lexington street with the east side of St. Paul street, and thence southerly along the east side of St. Paul street to the point of intersection of the east side of St. Paul street and the north side of Fayette street, thence easterly along the north side of Fayette street with the east bank of Jones' Falls, and thence in a southerly direction, following the said east bank of Jones' Falls, to a point where said bank intersects the north side of the harbor or basin, and thence due south, across the harbor or basin, to the south side thereof, and thence westerly along said south side or shore, to the point of intersection of the north side of East York street with the east side line of East York street intersected with the west side of Johnson street, and thence west along the south side of York street to the point of intersection of the south side of East York street with the east side of South Charles street, thence northerly along the east side of South Charles street to the point of intersection of the said east side of South Charles street with the south side of Camden street, and thence along the south side of Camden street westerly to Howard street, at the point of beginning. "Block," in this section, shall mean the portion of one side of any street, lane or alley, included between the nearest two cross streets; provided, that no such erections between the grade of the sidewalk and a point ten feet above thereof shall in any case be permitted, unless there shall lawfully exist at the time of the passage of this Act, on the same side of such street, lane or alley, such an erection upon or on the said block, at a point within two hundred feet of that at which it is proposed to make another such erection.

Metes and
bounds of the
burned
district.

Proviso.

SEC. 2. *And be it enacted*, That Section 8, sub-title "Franchises," of Article 4 of the Code of Public Local Laws, title "City of Baltimore," as enacted by Chapter 123 of the Acts of the General Assembly, passed at the January Session, 1898, be and the same is hereby repealed and re-enacted so as to read as follows:

Section re-
enacted.
